18x196 mm striker - round ends for Mediana Evolution and Centro latch only

Description

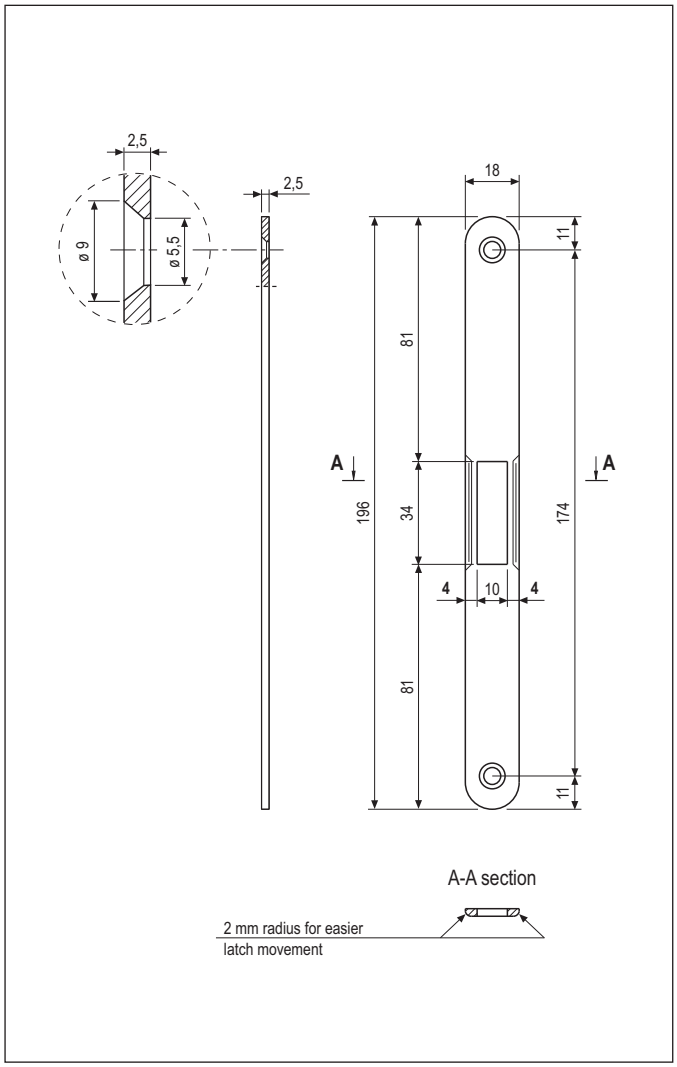
Steel or brass striker with round ends, 18 mm wide, 196 mm long. Suitable for both right and left-handed applications.

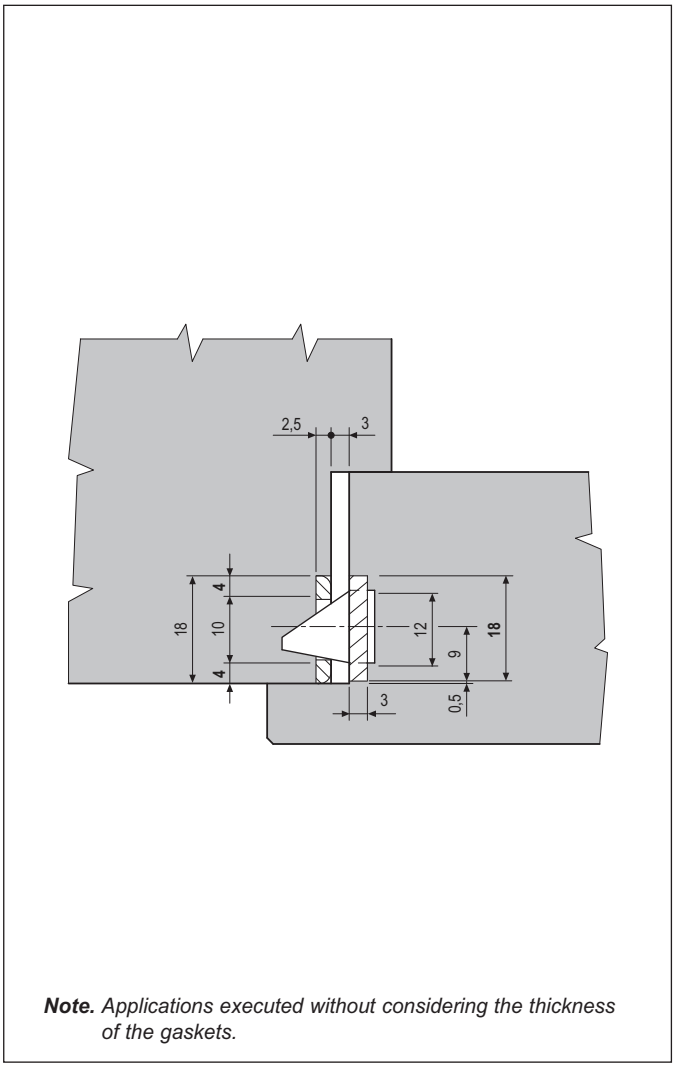
Application

Used in combination with Mediana Evolution and Centro latch only and 18 mm forend, on rebated doors with timber frame. This striker allows you to mill the jamb using the same tool used for the lock forend milling.

Mounting

Mill the frame according to the dimensions shown in the diagram. Install the striker flush with the edge of the frame. Fasten with two 4x25 mm screws.





Note. *Applications executed without considering the thickness of the gaskets.*
